Appreciation Letter

Dear Ms Yeshaya Grover,

The Ministry of Electronics and Information Technology Startup Hub (MSH) would like to thank you for your sincere effort and invaluable contribution in promoting India's G20 Presidency under the leadership of our Hon'ble Prime Minister Sh. Narendra Modi Ji, as the Youth Ambassador of G20 Digital Innovation Alliance (DIA) Summit organised on August 17-19, 2023, at Palace Ground, Bengaluru.

Participating in international events of such repute with the participation of 29 countries and 1000+ startups encourages our country's youth, while also strengthening our country's cultural and economic power.

We wish you success for your future endeavors.

Thanking you,

(Jitendra Vijay)
CEO-MSH
